It was A time of Happenings

People

It was a time of

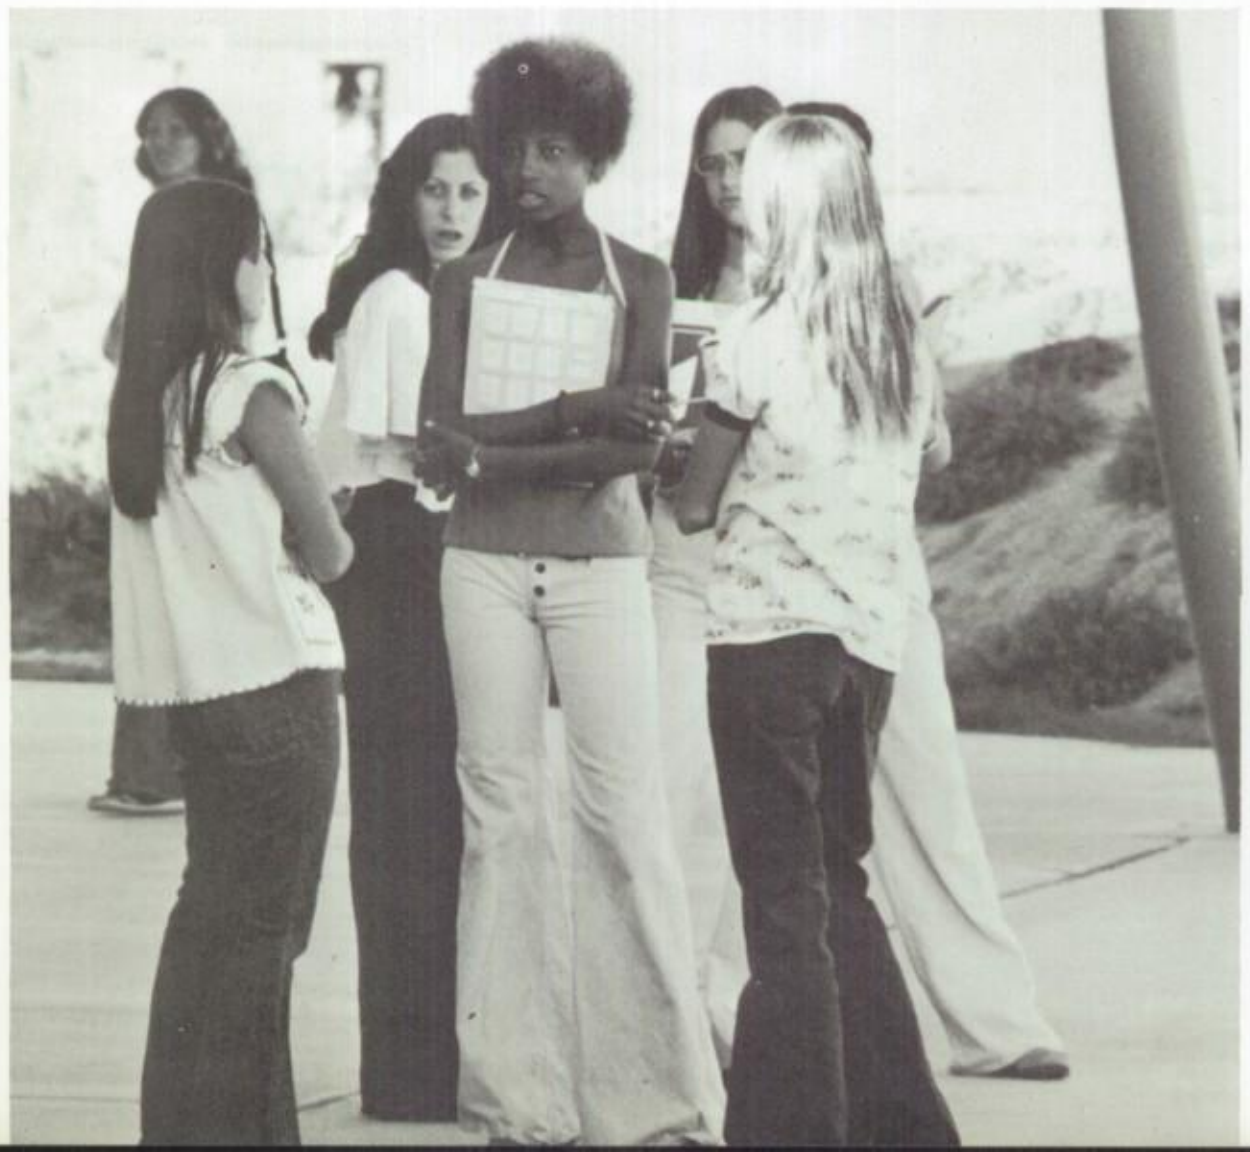
Excitement, Surprises

Excitement was always rampant at Greenway but this year the excitement was heightened by the fact that Greenway was putting out it's first graduating class.

In a rare moment of excitement, **left,** Yearbook Advisor Susan Burnett leans back and relaxes in class. Her job was to oversee all of the things that the section editors did.

Some people are camera shy, but Tracy Vaughn, sophomore, **upper right,** expresses himself by emitting a smile.

Caught by surprise, **lower right,** unidentified student is caught be the sprinkler/system in the middle of campus. The maintenance men worked all year on keeping the campus green.



It was a time of

Friendship, Good times

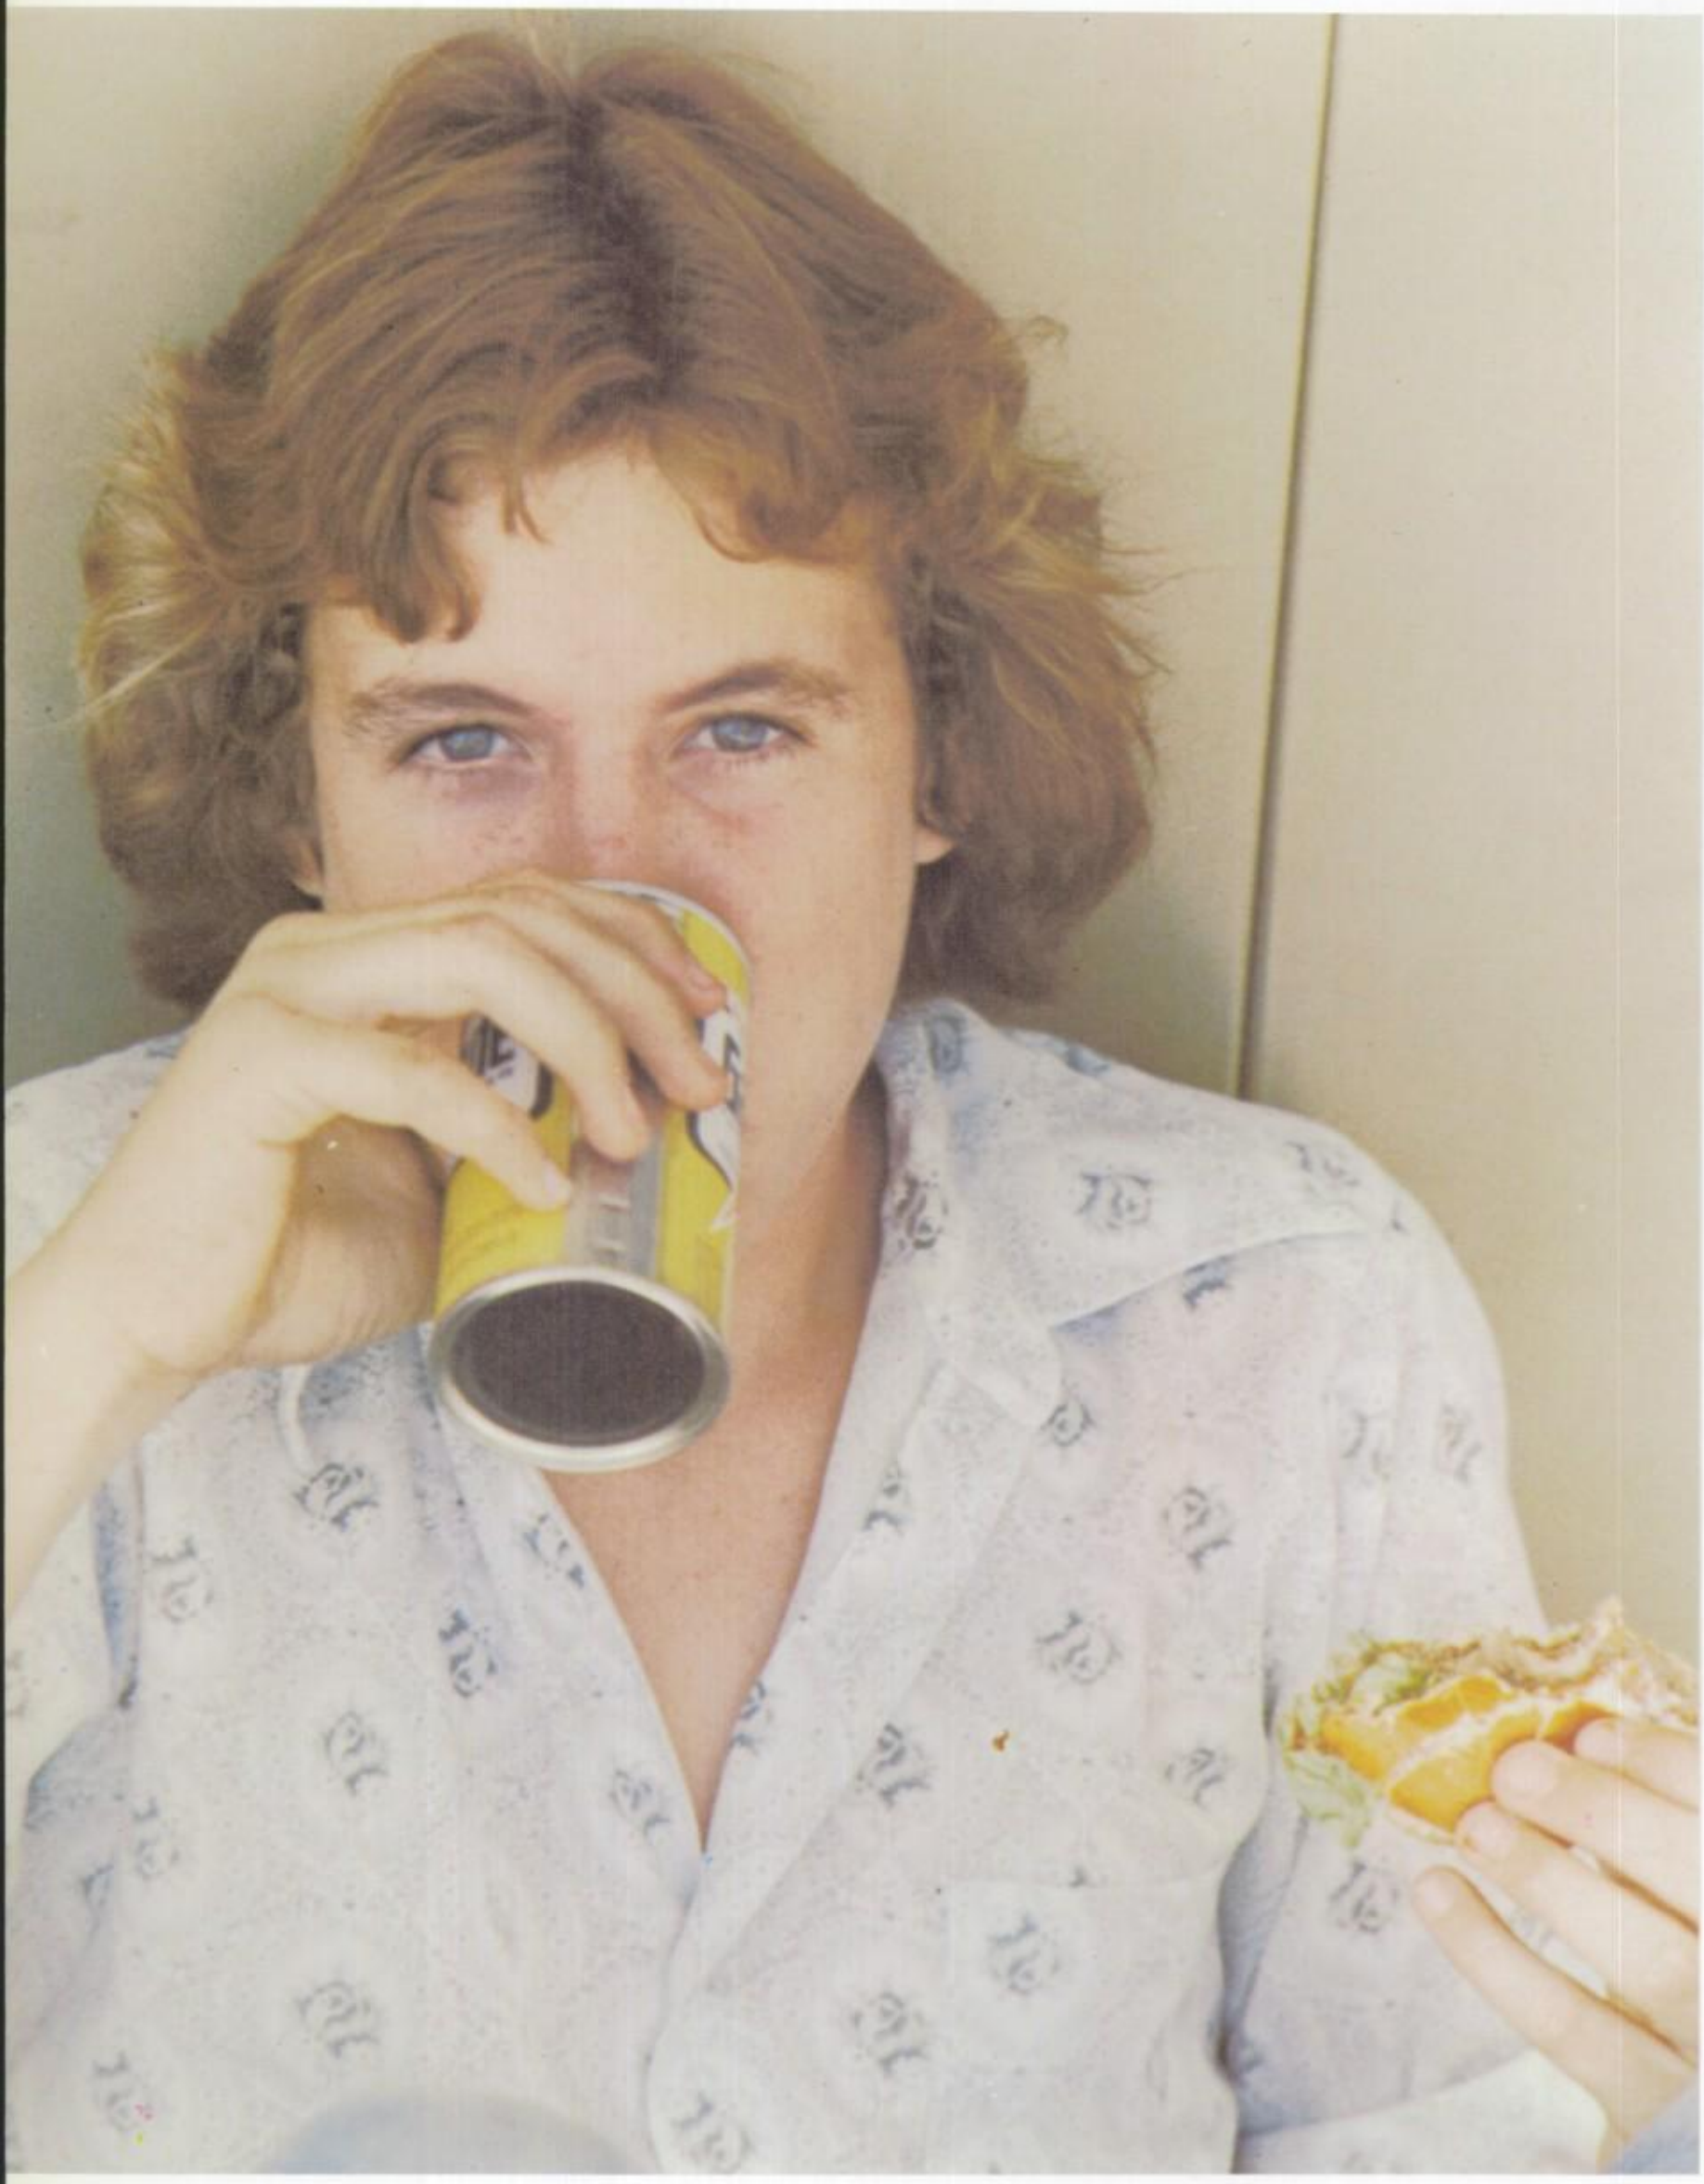
Friendship was always a part of Greenway's campus, as on any campus.

At Greenway friendship isn't just confined to students. Dean of students Wendell Sheets, talks to Tony Rankin, a friend of his, **top far left.**

Dallas Cormier, Dave Weesner, and Barry Zumach, seniors, **left,** have fun during their lunch hour, by showing very large smiles.

Lisa Barton, Sharron Bishop, Debbie Hunter, Mary Holly, and Lisa Gomez, sophomores, **bottom far left,** meet between classes to discuss tests, lunch and boys.

Lunch is also a time for friends to get together. An assorted bunch of students, **bottom left,** prefer an easy lunch against a building as opposed to a crowded lunchroom.



It was a time of

Feeding Our Faces

Lunch periods are a time of eating, naturally, and socializing. With only five minutes between classes, friends don't have time to talk extensively between classes, so at Greenway, lunch serves as the social time.

Jeff Veir, sophomore, **left,** enjoys the fantastic taste of snack bar hamburgers, and a Gatorade, two of the many things a student can purchase at the snackbar.

While Jeff is enjoying his lunch, other students, **below,** spend most of the half hour alloted for lunch in the snack bar line. At the beginning of the year, the line extended past thesidewalk into the grass. As the year progressed, the line got shorter, but it was long enough to wait a long time.

It was a time of

Learning and growing

Below, Media Center offers great opportunities in the photographic field. Pete Kelly, freshman, is a teachers' assistant in the Media Center.

Below right, Ken Bielecki, sophomore, takes time out to read *Silent Running*.

Top right, while waiting for Jim Schaap, senior English teacher, Gail Ware, Jim Epley, Kathy Davidson, and Gary Kock, discuss the book *Hamlet*.

It was a time of

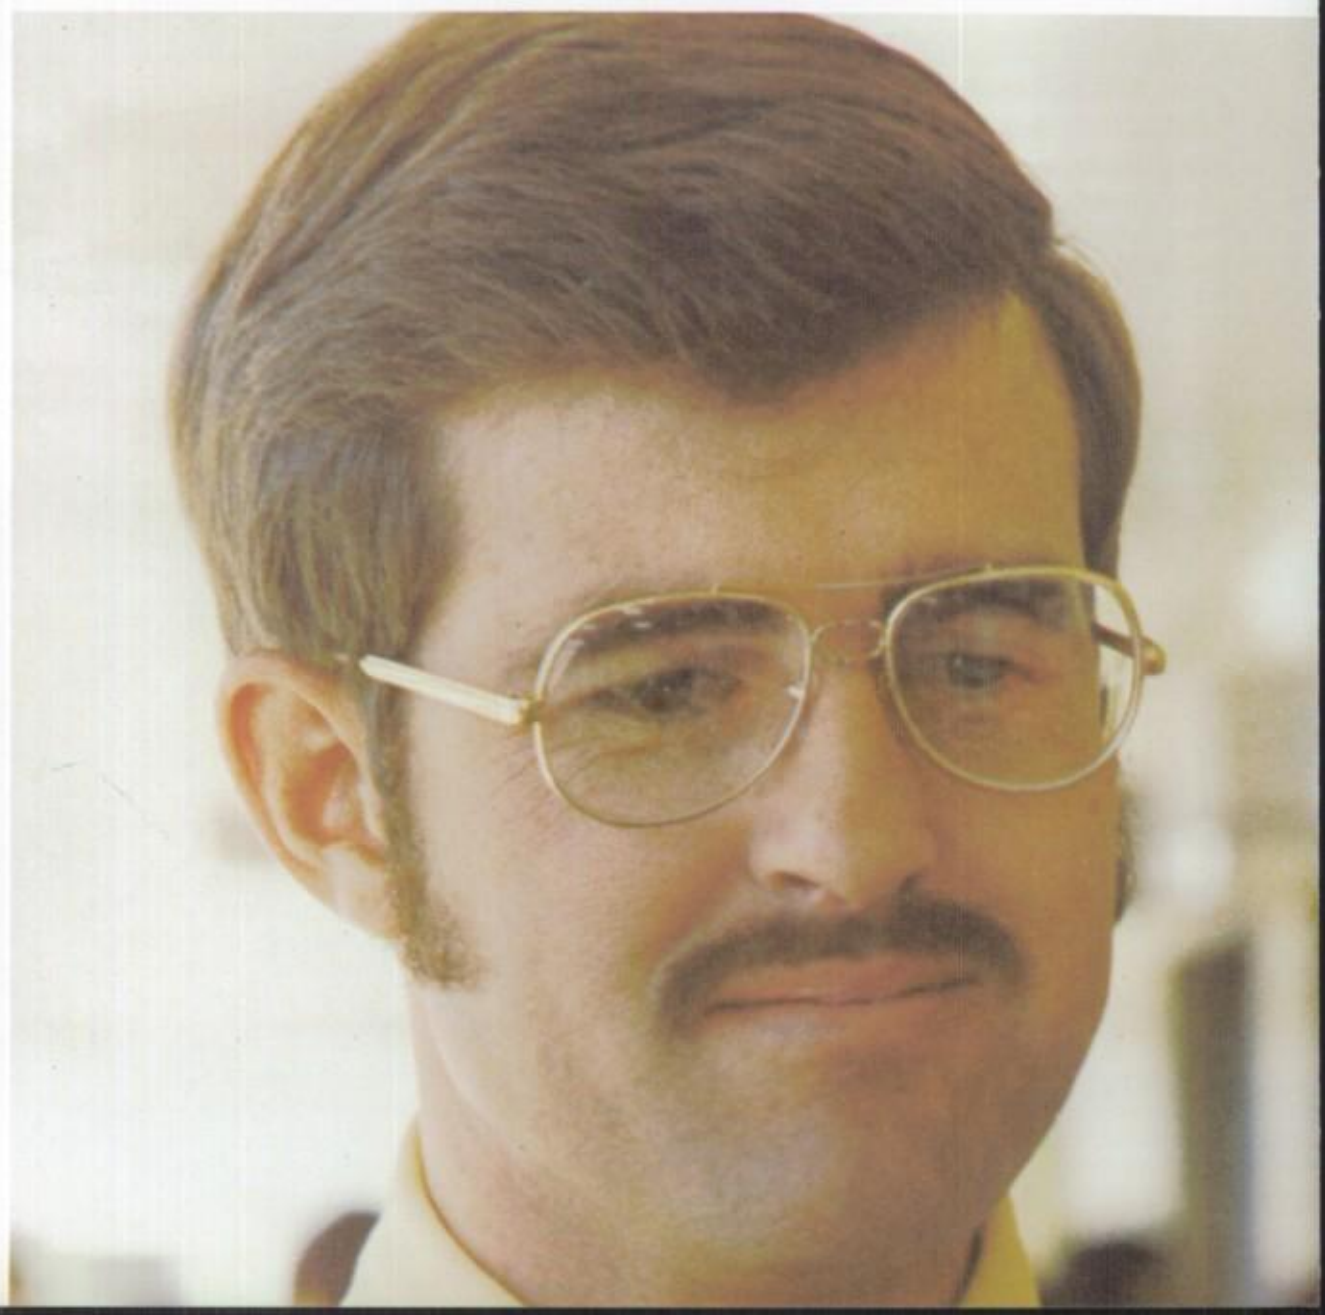
Expression

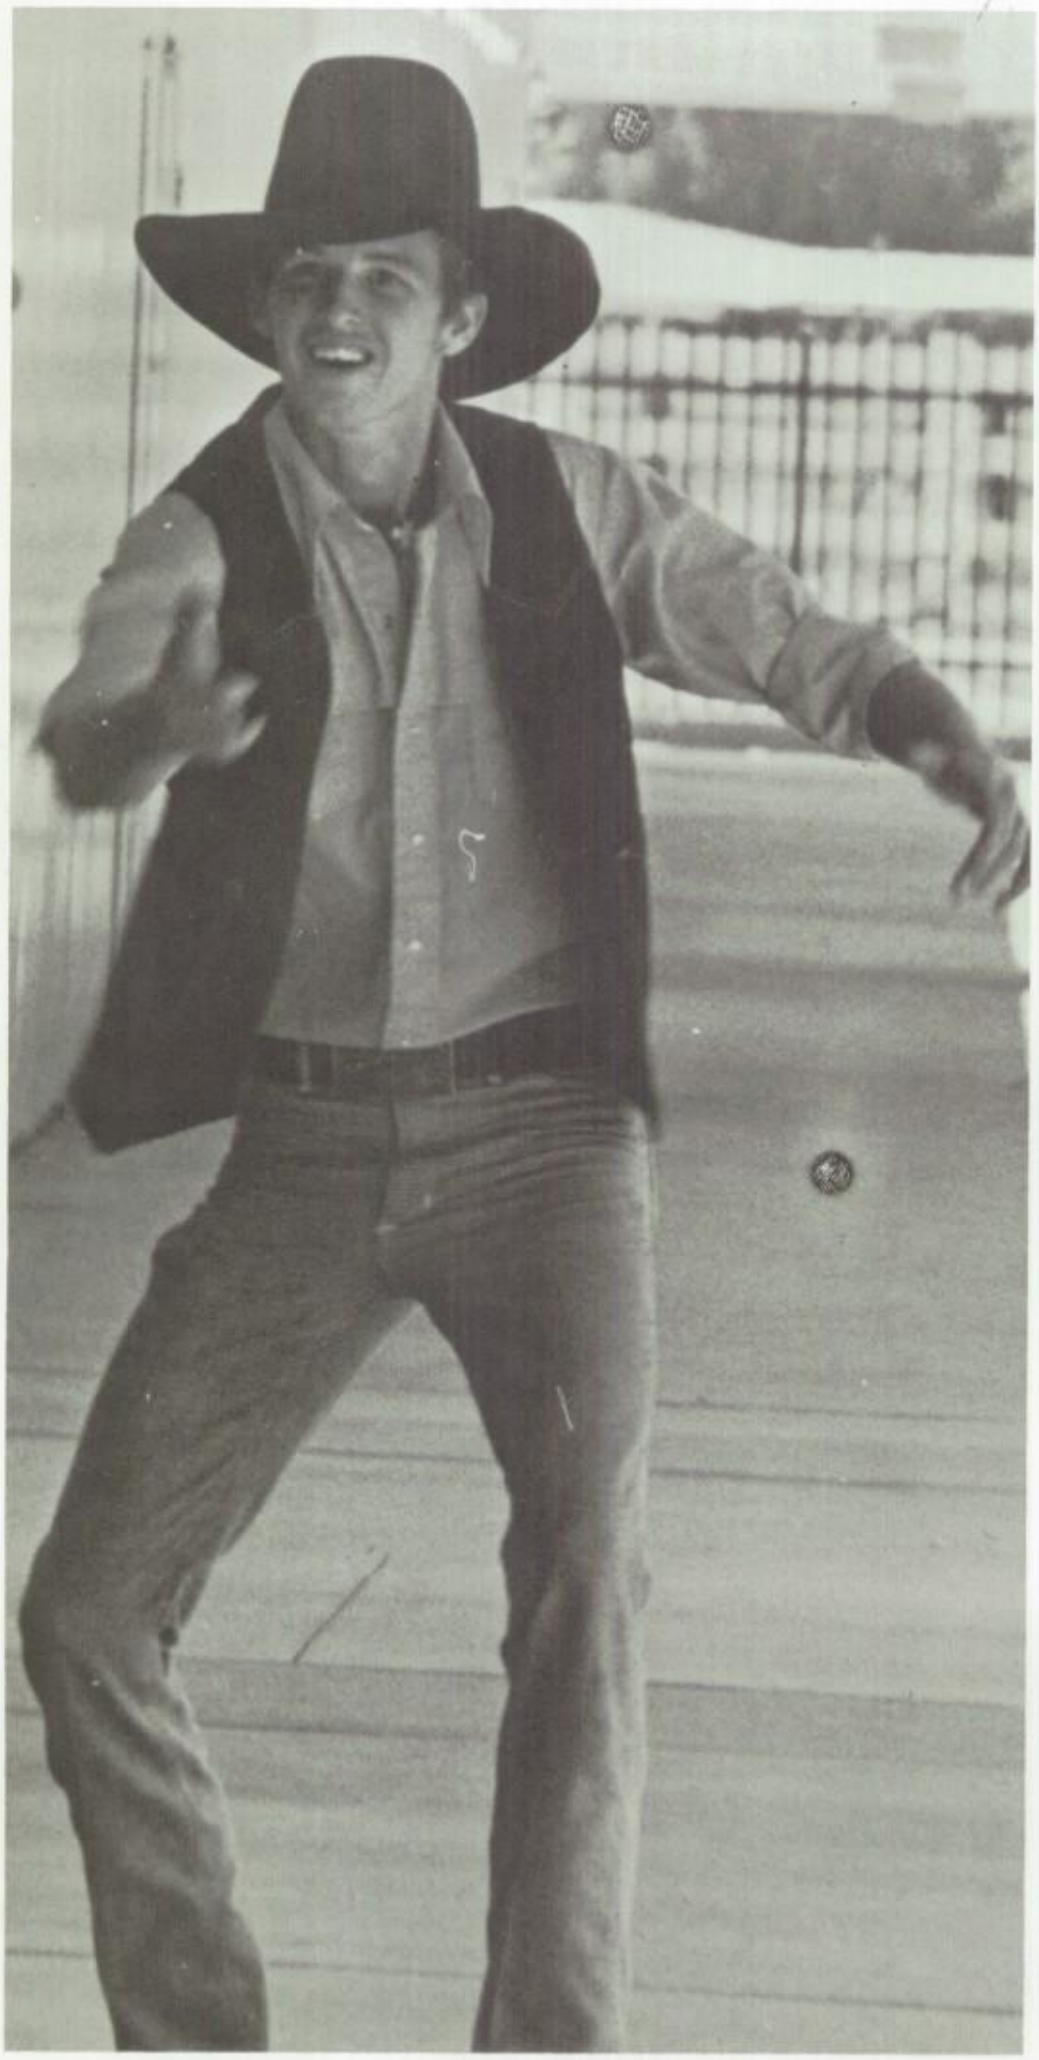
Right, Steven Ziegman, roving lunch patroler, also watches the many baked goods being bought by hungry students, during the Spangerlatch bake sale.

Above right, students have very curious ways of expressing individuality. Sandy Urquidez, Kelly Adams, and Dan Sallaway, sophomores, express themselves with their different T-shirts.

Kathy Krznarich, sophomore, **far right,** smiles softly during one of her classes.

Above, nostalgic writings are seen very often on walls in bathrooms, but on the telephone booth? This just goes to show all kinds of things can happen at Greenway.





It was a time of

Amusement

Different people, with diversified (and unusual) likes and interests, have different ways of finding amusement. **Left,** Billy Joe Nichols, senior, in his usual, everyday get-up, has an OK Corrall gun fight with an imaginary out-law. **Below,** Becky Toepke, sophomore, shows her most cultured look, one she learned at Greenway "Finishing" School.

Right, Scott Wade, freshman, practicing his great balancing act and favorite past time smiles quickly for the photographer, while whizzing by on his skate board. **Far top right,** Bill Gillane, sophomores, and **far bottom right,** Cindy Paige, freshman, enjoy the antics of their fellow Drama 1-2 classmates, practicing improvisations and pantomines.

It was a time of

Patriotism

Americans all across the nation wished our country a happy 200th birthday this year. Even the younger, wilder, west participated.

In our community, Sunburst Farms homeowners sponsored a Bicentennial parade featuring a Bicentennial queen who reigned on the parade.

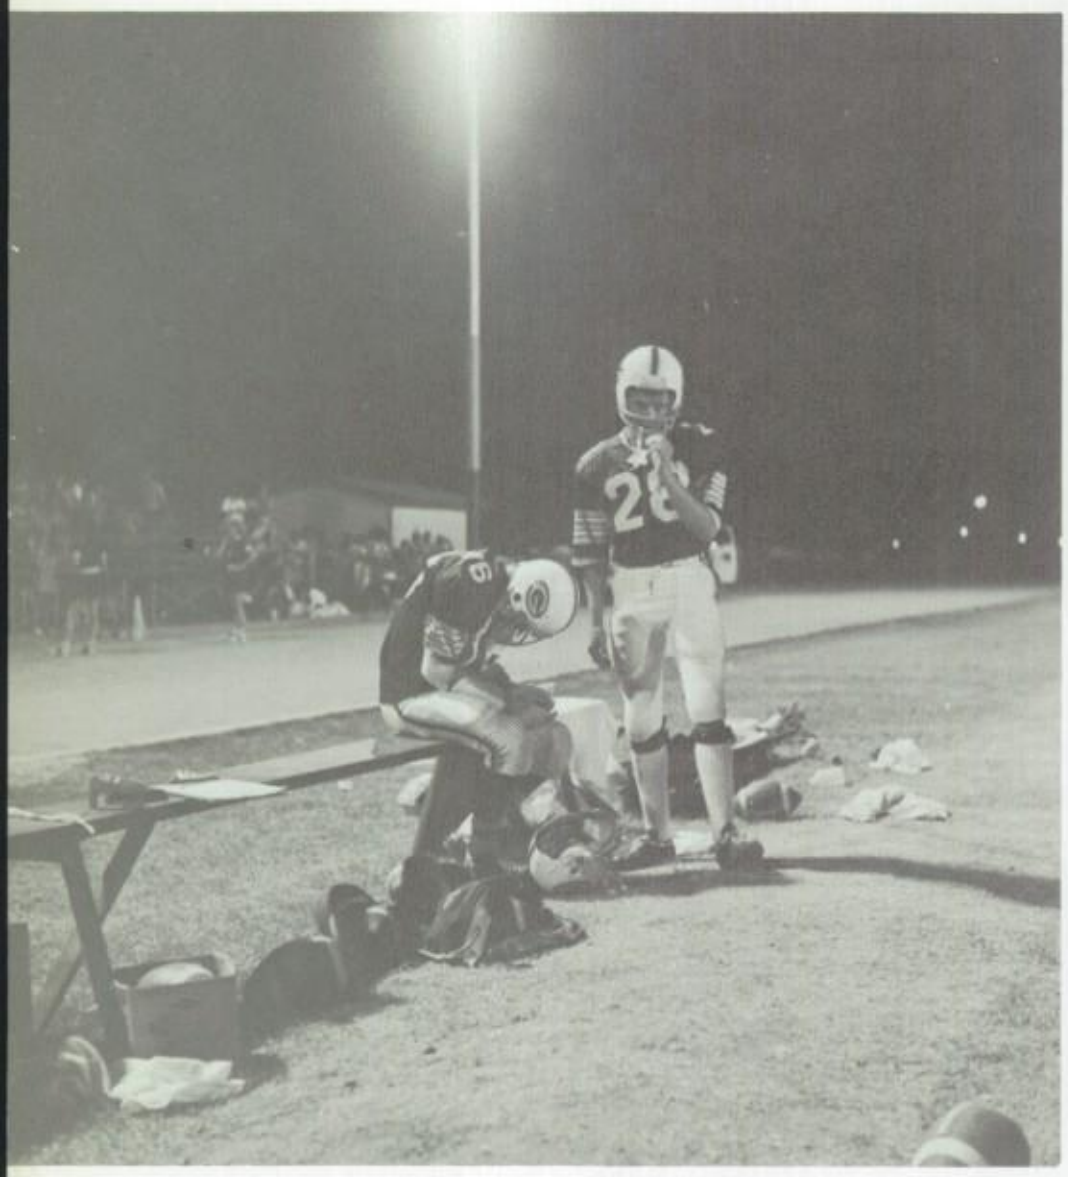
Feb. 12 was the ground breaking ceremony for Independence High School on 75th Ave. and Maryland Ave. The school will help commemorate the Bicentennial and will open for the 76-77 school year.

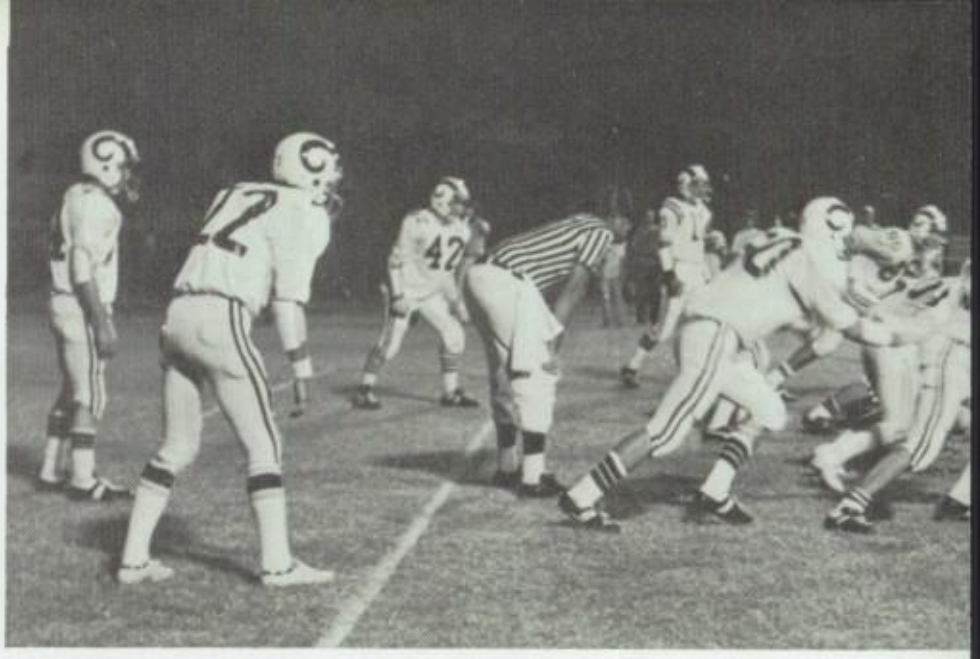
For the first and last football games, Tracy Ford, Rhonda Jewett, and Steve Wieters, representing Saddle Club, display patriotism and involvement by presenting the Arizona State flag (not pictured), the American flag, the Greenway Saddle Club flag and the Bicentennial flag, **opposite, top.** Holding the horse is Clay Robinson.

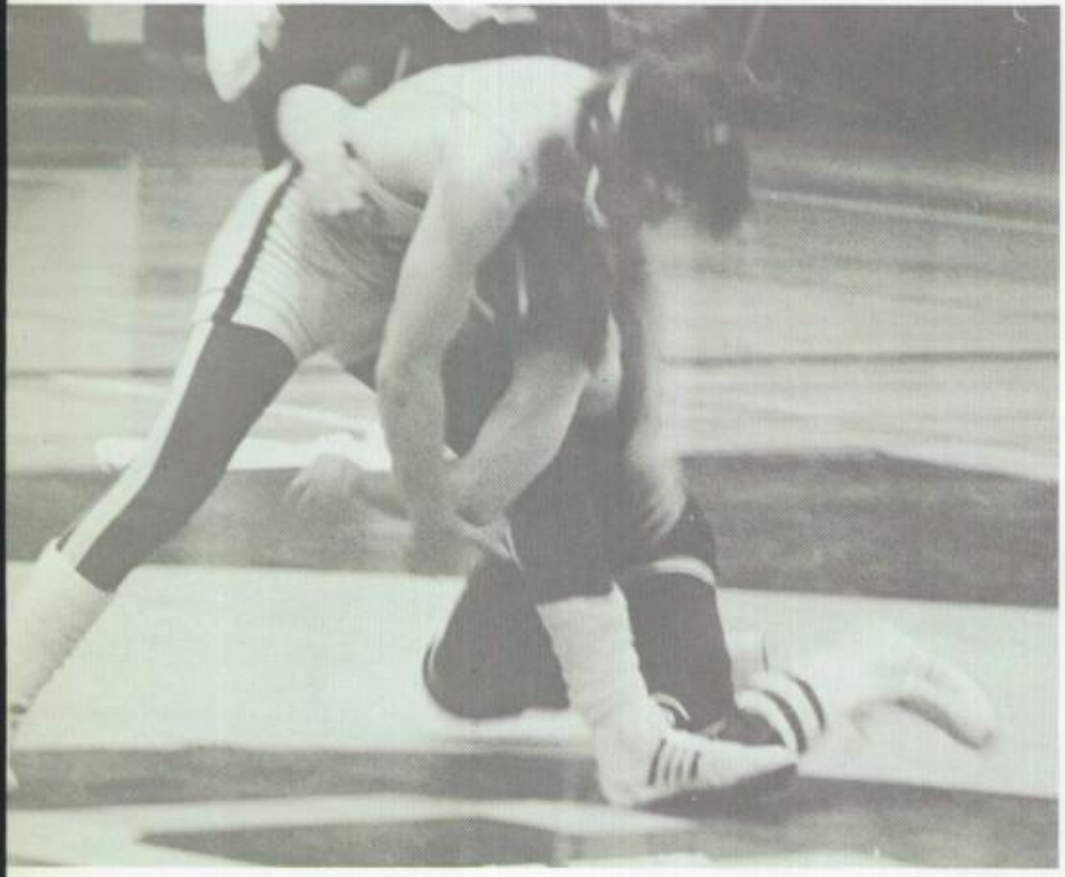
The pompon girls made special uniforms for the Bicentennial Festival football game, pictured **opposite bottom** by Gail Ware, Lynn Malek and Diane Szewc.

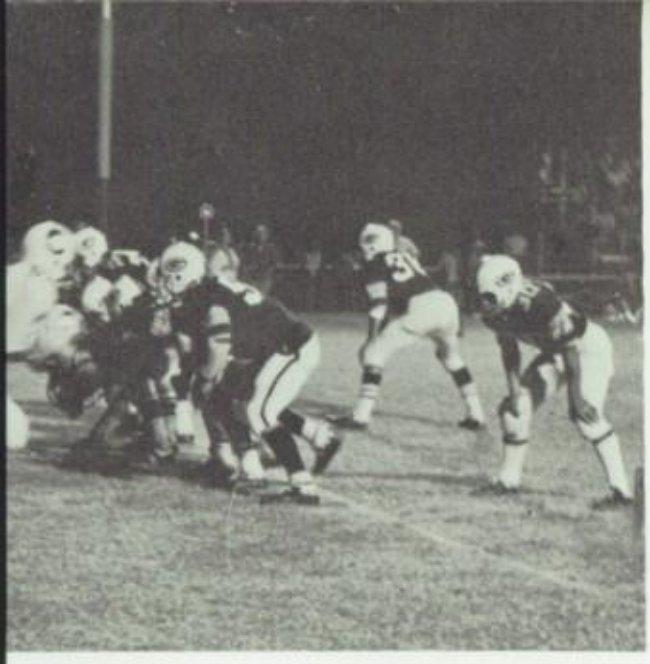
Left, Diane Plack, drum major, directs the marching band, playing patriotic numbers during half time of the Bicentennial Festival football game.

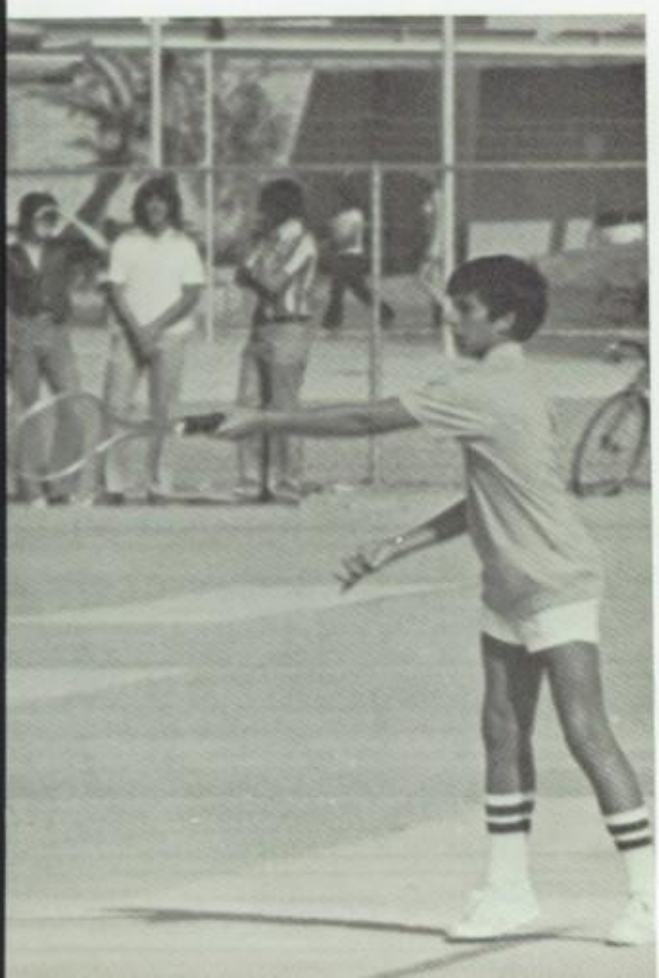
Below, At a Friday flag raising, Cindy Johnston, Kathy Muller and Carol Kiernan prepare the flags while the band plays the national anthem and Greenway's fight song.











It was a time of

Athletic competition

Athletic competition plays a big part in every school's extra-curricular activities and involves most every student whether he be a participant or a spectator.

Greenway is not a school to be exempted, offering many different sports for fun and entertainment.

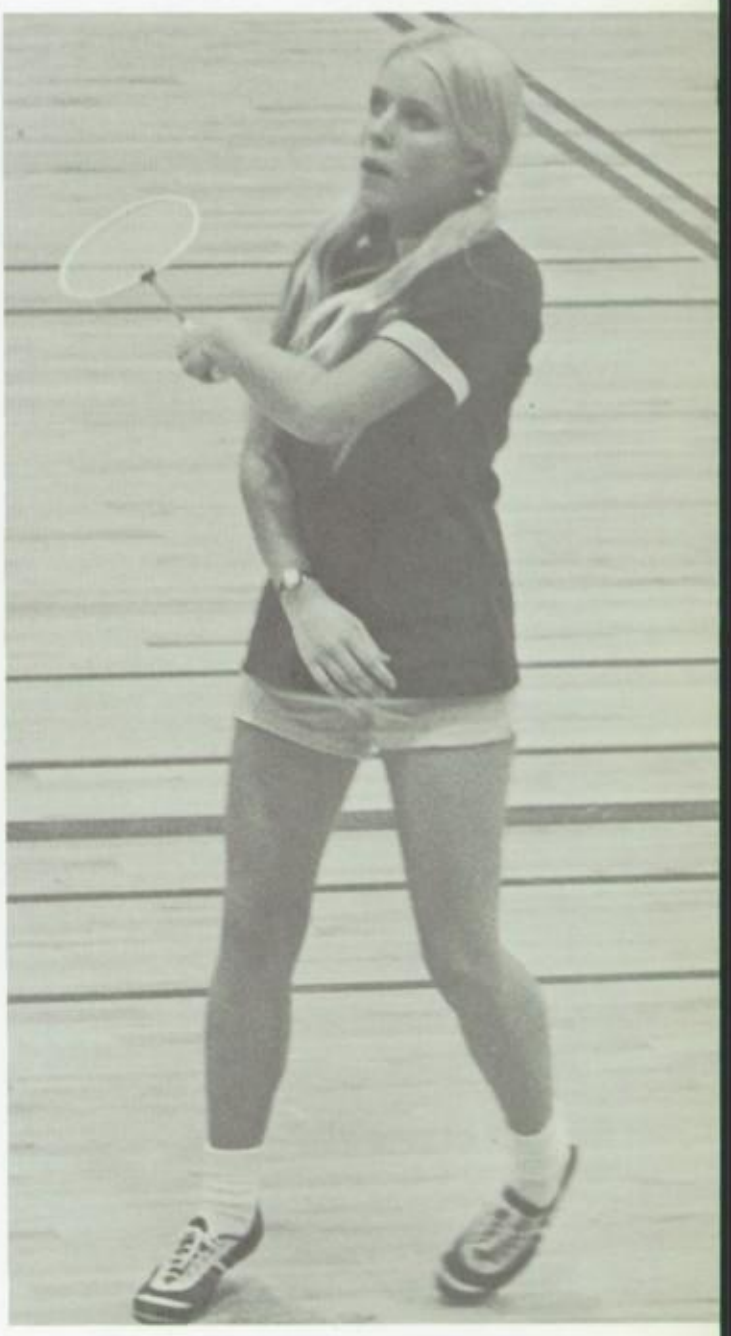
Left, John Furtman, senior, dribbles around a Peoria opponent.

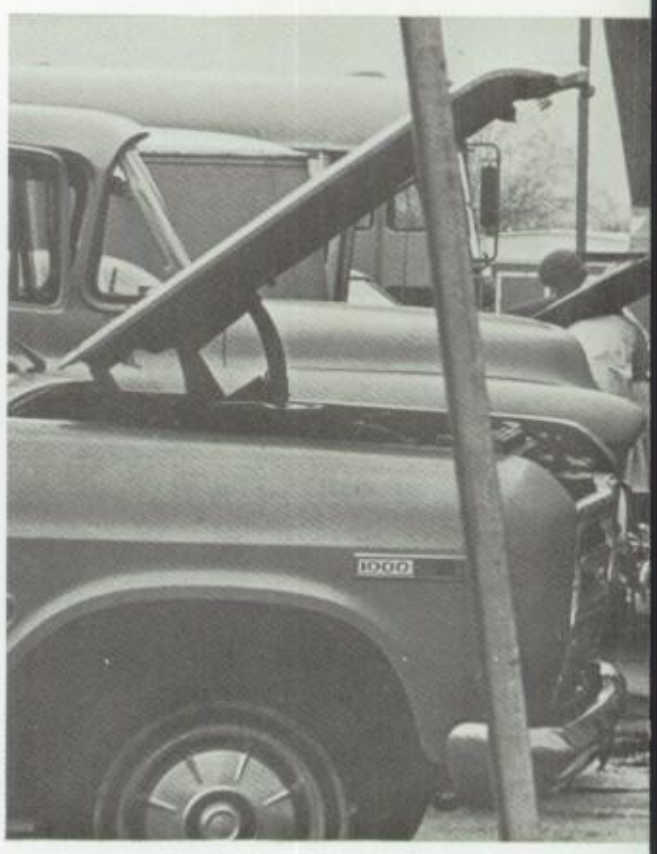
Below, far left, Bobby Williams, freshman, returns his opponent's ball.

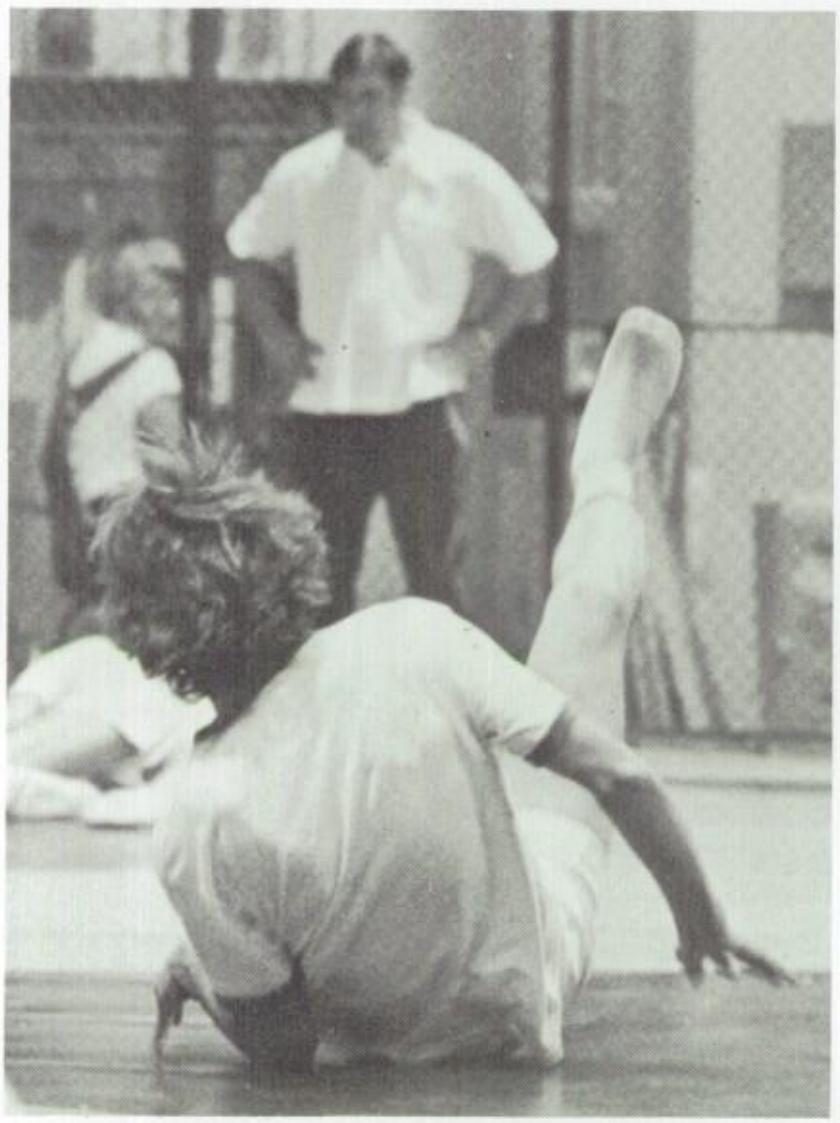
Below left, Ashley Seaman, freshman, is ready to receive her opponent's serve.

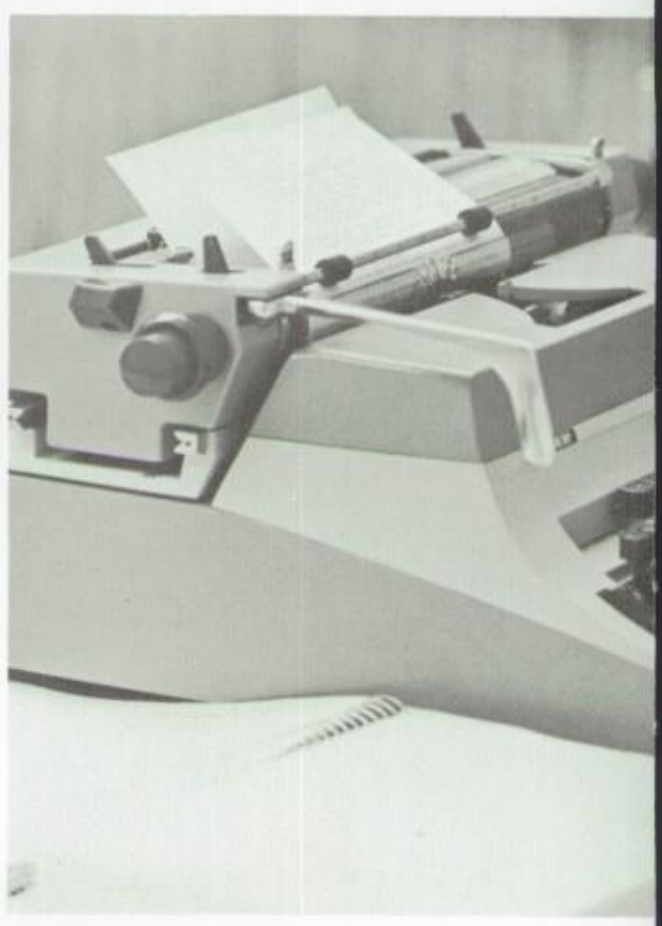
Below right, Leanne Prill, junior, illustrates one of the intramural sports offered to girls: Badminton.

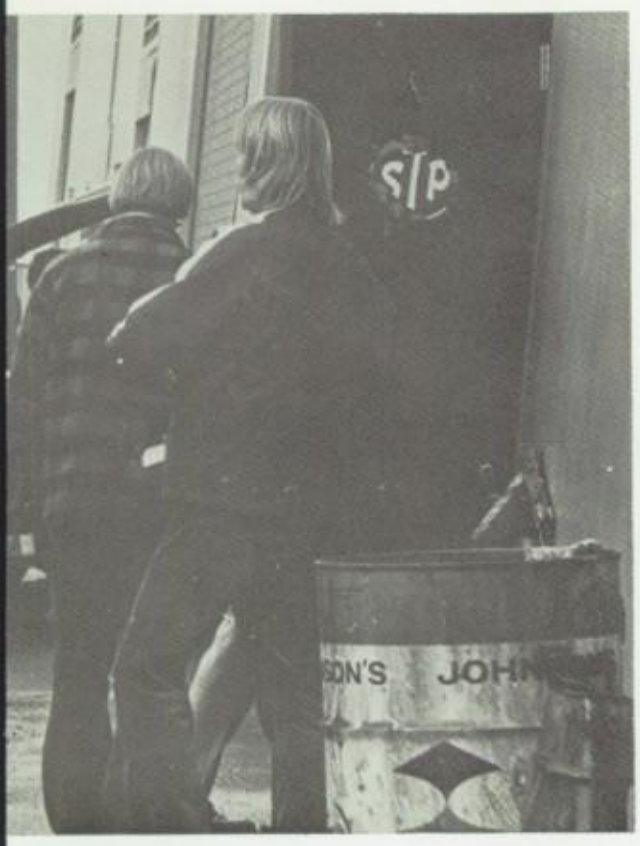
Opposite, counterclockwise from left, Demons scrimmage against Washington Rams. Mark Nichols and Mark Barrett, juniors, effectively symbolize the no win varsity football season. Although many of the players and spectators often became frustrated, neither never gave up. Pete Sandburg, junior, tries to take down his opponent. The Demon cross country team runs against Thunderbird High.











It was a time of

Striving and achieving

In academics, striving and achieving are essential factors of learning. Without trying, no one can succeed.

In Auto Shop, **left,** students achieve better running cars from learning by doing on their own cars.

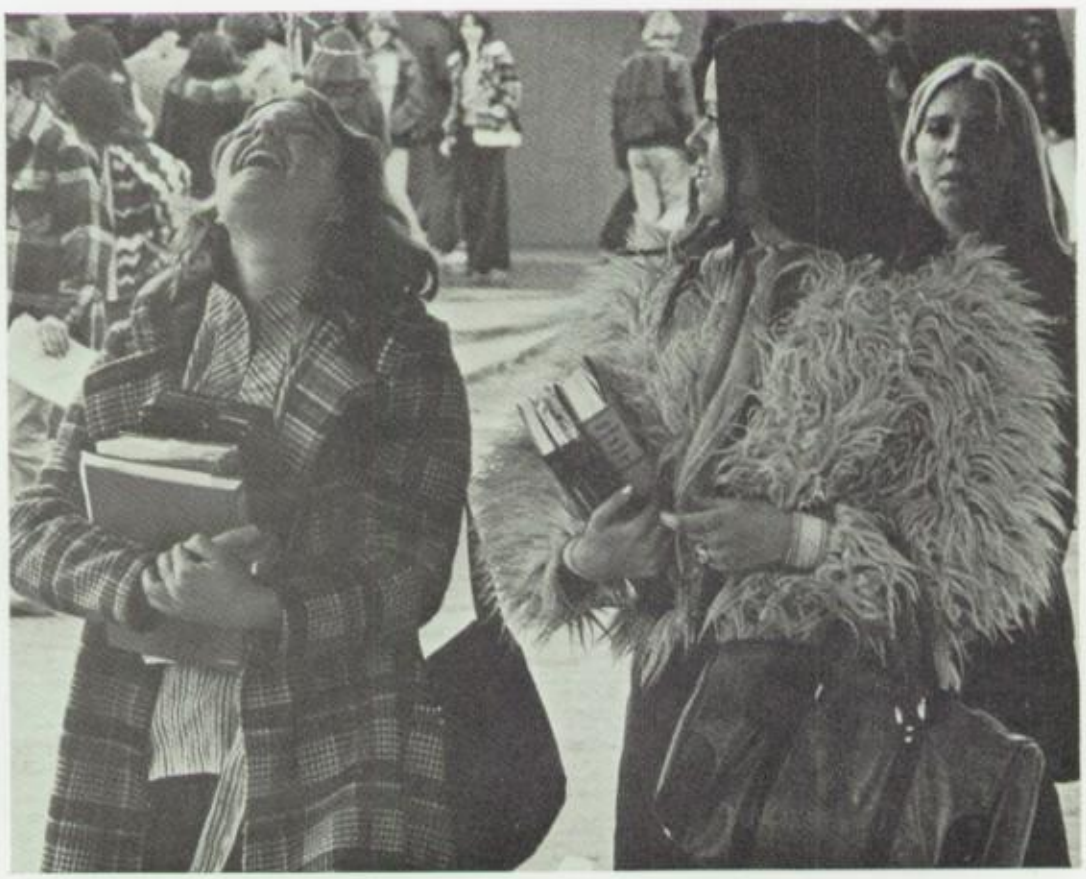
Below left, Jeff Daugherty, senior, as a teacher's assistant, types a test for the following day's classes.

Below, Faith Parker and Debbie Toepke, seniors, take a break between classes for a few laughs.

Bottom left, Carry Causey, freshman, concentrates on a test.

Opposite from top to bottom, several agriculture students complete the finishing touches on the new livestock pens.

Achievement follows learning from mistakes, discovers a P.E. student. Having fun is also part of learning, **as pictured opposite bottom,** while P.E. students learn to square dance.



A time for our dreams to come true

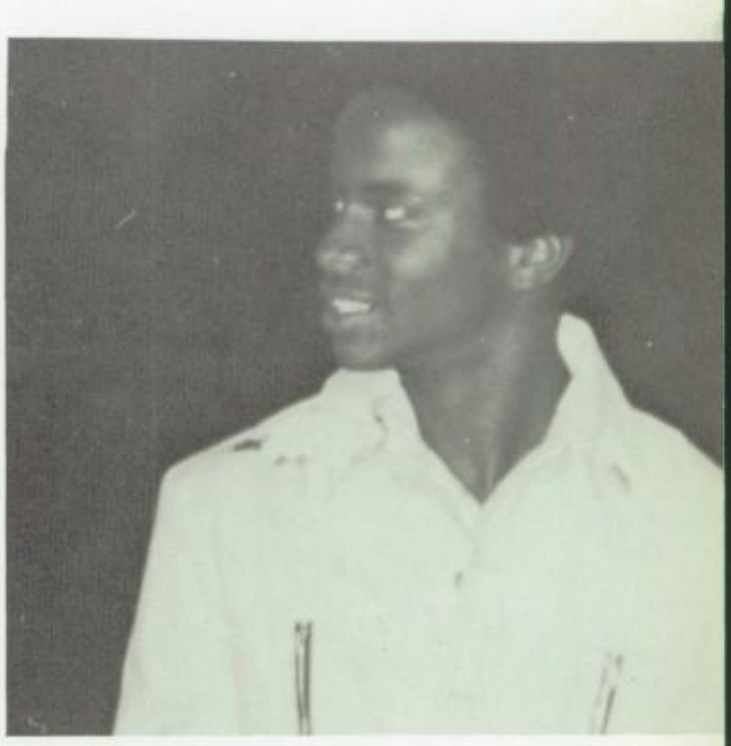
Bicentennial King and Queen crowned

During halftime at the last football game, Greenway's first royalty couples were announced. The royalty were crowned in honor of America's 200th birthday on the final day of a Bicentennial festival. Shawn Brittan and Patti Sullivan were voted King and Queen by the student body. **Below** are some moments they enjoyed at half time while parading around the football field.

Attendants for the Bicentennial Festival

Eight attendants, two from each class, were also chosen in November culminating the week long Bicentennial Festival. Senior attendants **(right)** are Drew Reagan and Leah Hoffman. **Bottom left,** are the junior attendants, Steve Florence and Terri Turner.

Sophomore attendants **(left)** are Skip Ast and Michelle Colter. Freshman attendants **(below)** are Mike Peck and Karen Phillips. **Above and bottom right** show some good times they enjoyed as attendants and the excitement they experienced at the crowning.

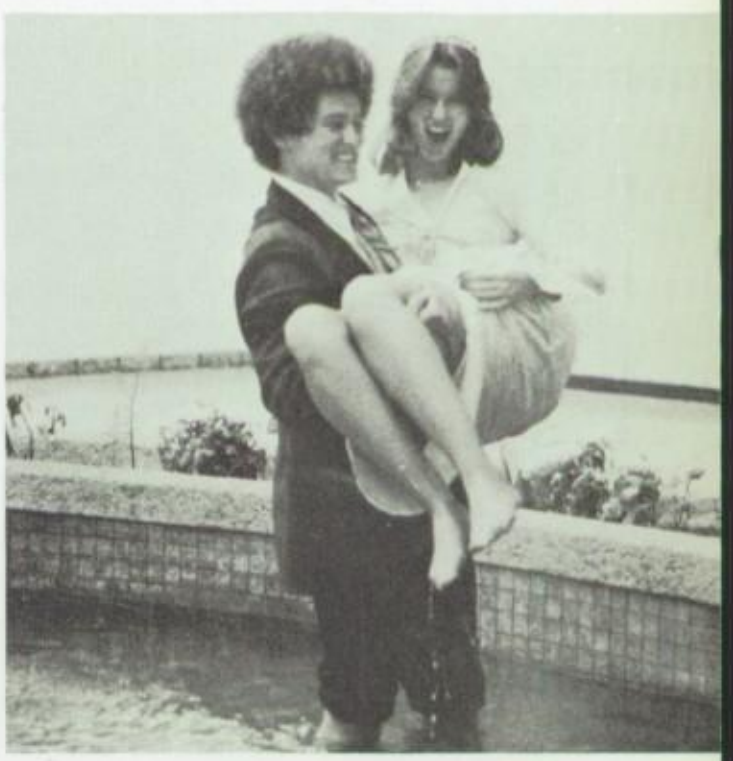


Saddle Club Queen chosen in March

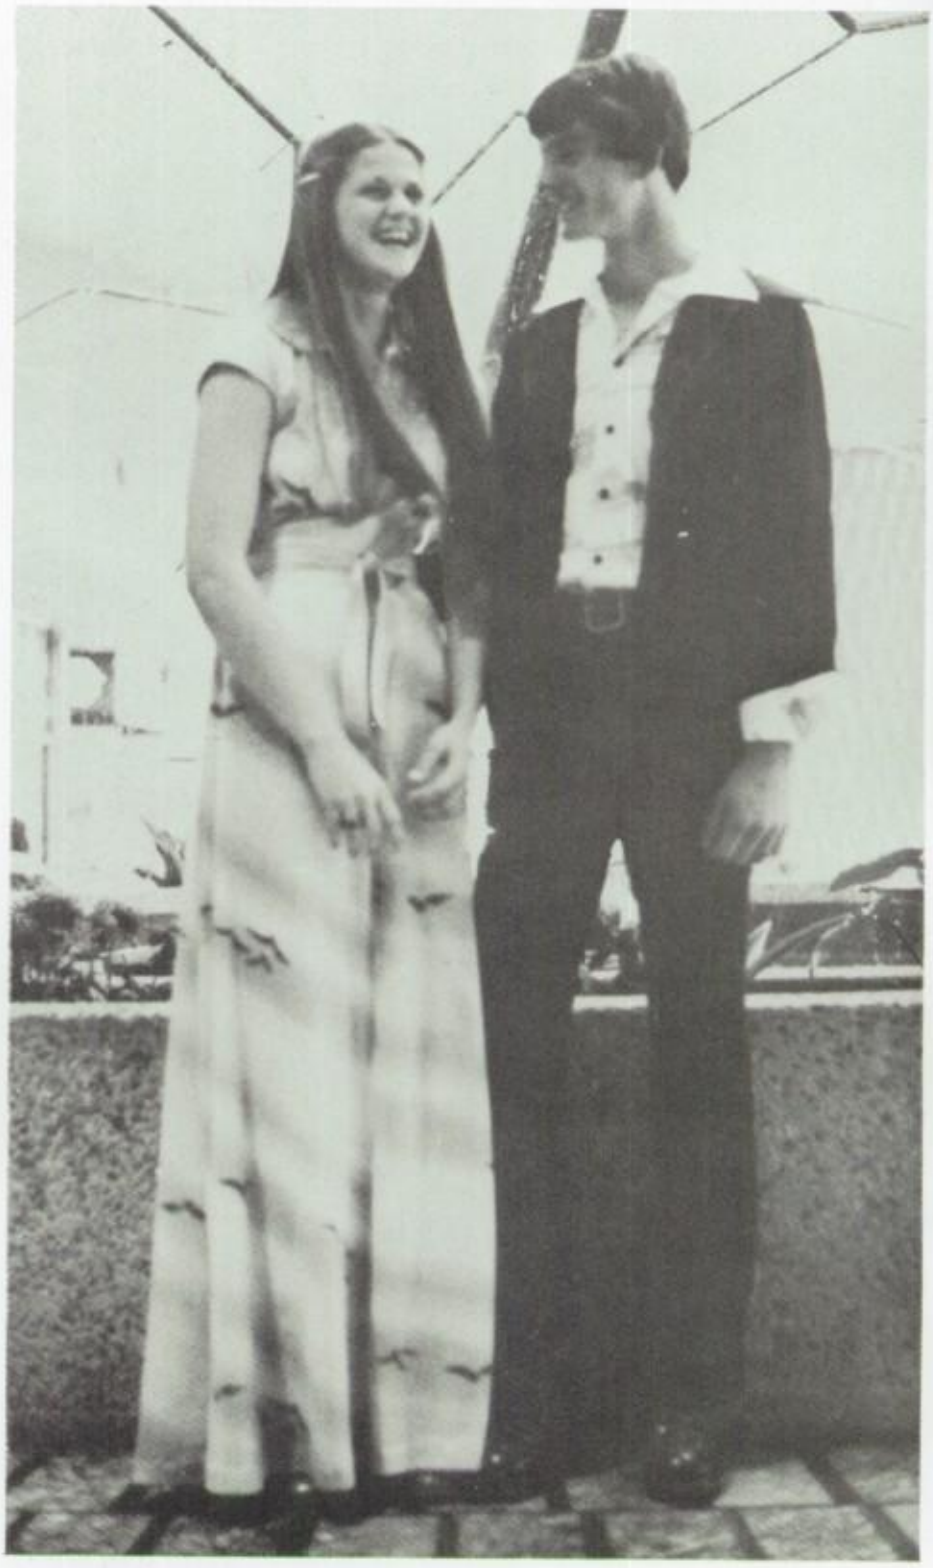
Kellie Turner was chosen as Greenway's 75-76 Saddle Club Queen. Attendants were Diane Brinager, Venessa Welburn, Debbie Zelbius, and Donna Blumb. All the contestants were judged on horsemanship, a written test and personality.

It was a time for memories of love

Steve Nichols and Nancy Nicholson were chosen Greenway's third Sweetheart King and Queen. Under the soft, romantic lights at the Sweetheart Dance on February 14, they were crowned along with eight attendants. When their names were announced, they walked across the empty dance floor and took their seats with the attendants standing behind them.



Sweetheart Royalty crowned at dance



From the four classes, eight attendants were chosen to complete the '76 Sweetheart Royalty. Scott Golden and Annette Goodrich were Senior Attendants **(above).** Scott Webster and Diane Brinagar were Junior Attendants **(above).** After appearing in a school assembly with the other Royalty contestants, students voted for the different contestants. At the Sweetheart Dance, the following night, the royalty was crowned.

Sophomore attendants, **below,** were Ricky Rodrigues and Rene Mathews. Warren Burnett and Jackie Arterburn completed the Sweetheart Royalty list as freshman attendants, **below.** For all of them, the night they were crowned will remain a special time in their memories.

Steve Nichols, Drew Regan, Greg Leikvold and Dave Norton were chosen for All Division Team for the Skyline Division. This team consisted of outstanding football players of all the schools in the Skyline Division. Steve was selected for the second team. The three Greenway players chosen for the Honorable Mention team, were Drew, Greg and Dave.

These same players were presented outstanding awards at the Football Banquet. Drew received Most Improved Player award. This award is presented by the coaches to the player they feel was the most improved from the beginning of the season to the end of the season. Steve was presented with two awards; Most Valuable Linemen and the Coaches Award. For the first award, Steve was elected by the players to receive it. The second award is a new award given by the coaches.

This award was given to the player the coaches felt really gave the season every thing he had, at practice and games alike. Dave was selected Most Valuable Back, he was also voted in by the players. The co-captians were Greg and Dave.

According to coach Bruce Wilson, the team's best game was against the Washington Rams, in which they lost 11-18. Wilson said "that he was really proud of the team for their willingness to stay in the games, even when times got rough."

Junior Varsity ends with good season

"The Junior Varsity football team had a good and successful season this year," agreed Coach Vargas and Coach Blake. A job well done by all Junior Varsity players proved, again, that teams not individuals win football games, according to Caoch Blake. Outstanding players this year were Skip Ast, Chris Endres, Roy Edwards, Mike Jacott, Kenny Kays, Scott Powers and Kyle Strong. Coach Vargas said, "Determination to win football games was strongly developed in the Junior Varsity players." Coach Vargas and Coach Blake anticipate seeing the same determination from the players next year when they become Varsity football players. Both coaches said that all Junior Varsity football players did an outstanding job.

This past year was really a good success for both the Freshmen green and gold teams. Coaches for the green team were Mike Danielek and Bill McGinn. Coaches for the gold team were Wally Jones, Steve Daly and Howard Mueller.

The green team had the best record of any football team, since Greenway was first established in 1973. Their final record was 6 wins, l loss, 1 tie. The gold team finished their season with 3 wins, 5 losses. Coaches agreed that both green and gold teams really played tough against their competition this year. Both teams played with all effort and they all had their skills pulled together as a team.

A CURSE AGAINST BOOK STEALERS
FOR HIM THAT STEALETH A BOOK FROM THIS LIBRARY, LET IT CHANGE INTO A SERPENT IN HIS HAND AND REND HIM. LET HIM BE STRUCK WITH PALSY AND ALL HIS MEMBERS BLASTED. LET HIM LANGUISH IN PAIN CRYING ALOUD FOR MERCY, AND LET THERE BE NO SURCEASE TO HIS AGONY TILL HE SINKS TO DISSOLUTION. LET BOOKWORMS GNAW HIS ENTRALS IN TOKEN OF THE WORM THAT DIETH NOT. AND WHEN AT LAST HE GOETH TO HIS FINAL PUNISHMENT, LET THE FLAMES OF HELL CONSUME HIM FOR EVER AND AYE!

Juniors had a time of fun in school

Smiles and laughter often filled the junior classrooms. Despite a crowded and long schedule, they found time to have fun. Mixing work with play, the juniors made their days more enjoyable for themselves as well as their teachers. Whenever the work piled high, they wore down their pencils to get it done, but during those short lapses in between, they had a time that they soon wouldn't forget.

Some entertained others with their acting talents or other abilities, but others just brightened the day with friendly smiles.

Even with the good times, school is still school.

To get rid of the routine of notes and hard-to-read books, the teachers had interesting activities planned. In U.S. History classes, Juniors got the chance to re-live different periods of history in three simulations. In English, they learned about American Literature and its authors, through films and slide presentations.

In short, Juniors learned about their subjects and themselves in the time they spent in class.

During the week of Nov. 10-14, Juniors came out in crowds to prove more school and patriotic spirit. Heralded as the "Bicentennial Festival," many activites were planned. Some Juniors showed off their 50's outfits in a lunch hour dance highlighting Fifties Day. Enthusiastic Juniors decorated the concession stand for the football game ending the week. More Juniors were in the half-time Bicentennial Costume Contest, and still more cheered on our team.

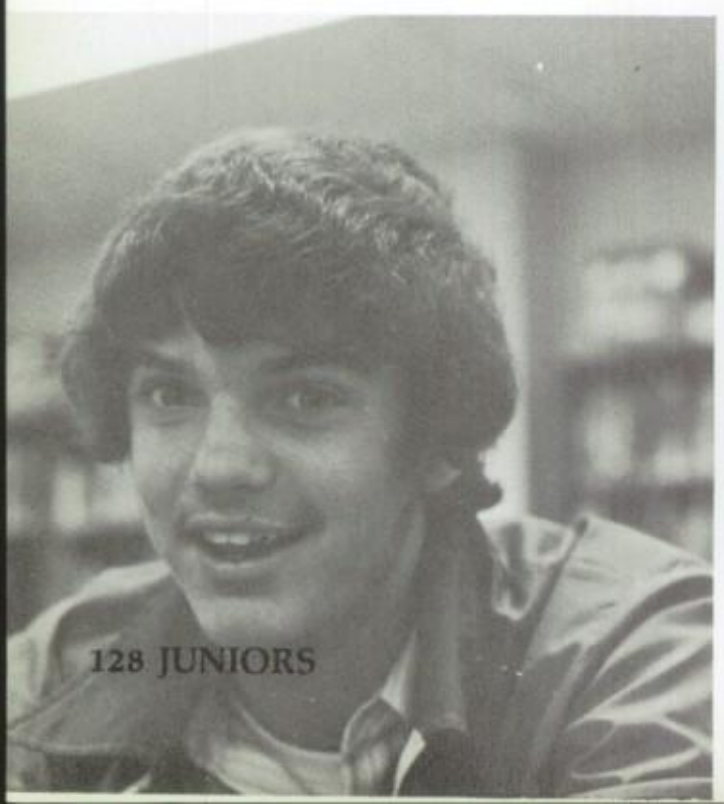
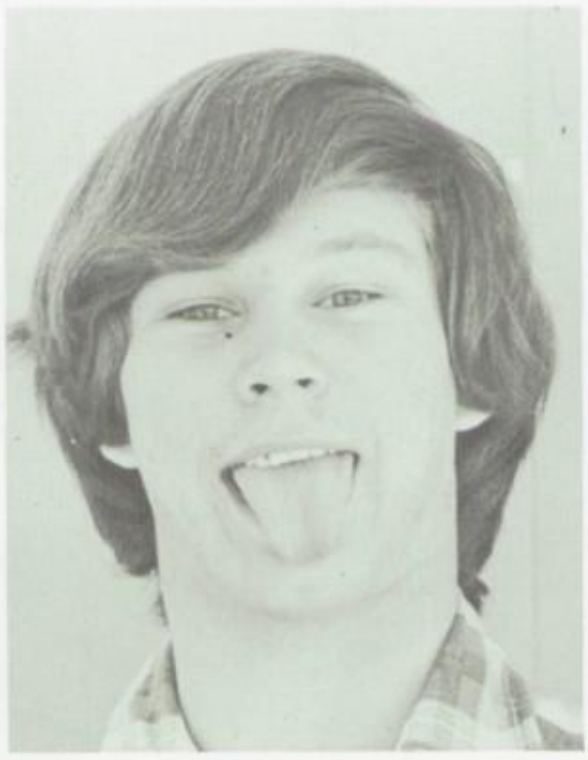
It was a time for remembering

Now, it is over. It won't be the same ever again. This year's juniors are already next year's seniors. New times are ahead, but all the juniors will remember the moments of the past.

Giving up their Friday nights to work football concession stands, they won't neglect to recall. The prom they put on in March will live in their memories. All the hard work they did to raise enough money for that event will be the last thing to slip their minds. But, the moments they spent with each other they will never forget.





Now is a time to look to the future

Right, Kathy Fenwick's mind seems to be occupied by other things than her class. **Far right,** Donna Kellerup and Kathy Arrowood found it quite easy to find their classes at Greenway. They even found time to stop and find out all the new happenings in the five minutes between classes. High School is very much like junior highs in this area. The only big difference is the big crowds of students. The new students found that there were a lot of new adventures and fun times related to Greenway.

Dan Gue is very engulfed in his studies, but little does anyone know what is stuck inside of his book. He surely could fool any teacher by the look on his face. Karen Phillips and Mike Peck were the choice for Freshmen attendants at the Bicentennial Festival. Each different class chose their attendants a day before the Friday night game. This was the last game of the season. The whole school participated in the Festival by entering some type of float to represent their class or club. Each float was shown at the assembly and were voted on to pick the best one. The Freshmen entered a very original one.

Counselors direct students toward promising careers

A counseling office was organized by Greenway's first senior counselors, Charlene Tallakson and Jean McMinn.

The office is open all the time for any senior to come in and browse through the many college catalogs from around the country, scholarship information and various vocational information.

Freshmen, sophomores and juniors are divided between the other counselors, who help solve these students' problems.

The counselors are 1-TONY HELM; 2-CHARLENE TALL—AKSON; 3-JEAN McMINN; 4-JON MILLER; 5-PATRICIA STACY and 6-JANICE SEARS.

Admin. directs students

Greenway's administration coped with the many student and community problems, with patience and diplomacy.

One major problem the administration handled, was the possibility of a closed campus.

However, involved students spoke to every period 4 class, Nov. 6, to inform and publicize the litter and destruction problem, which was occuring to complaining homeowners surrounding Greenway.

Later, other responsible students took it upon themselves to clean and pick up the area around the vending trucks.

Having you in my class was super.

You are a very cute, nice, and lovely lady.

I hope your Senior year goes along smoothly and your future is as nice as you are!

Good Luck,

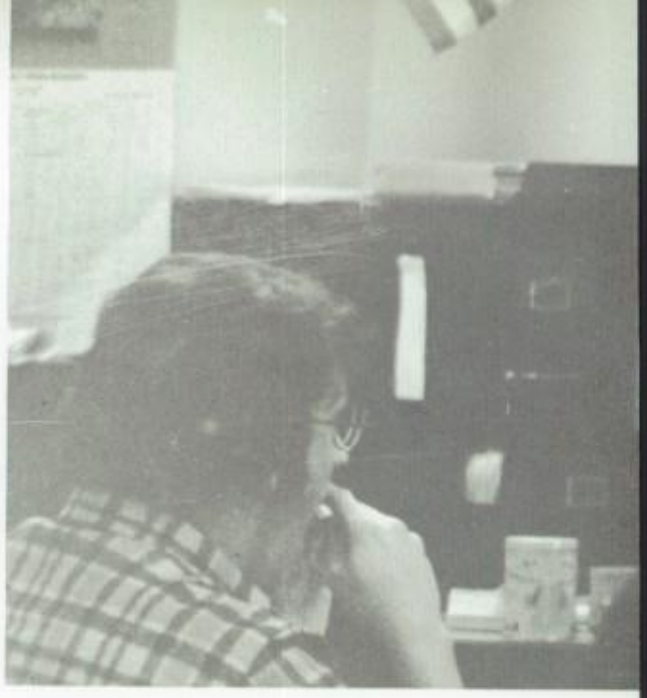
What a time it was!

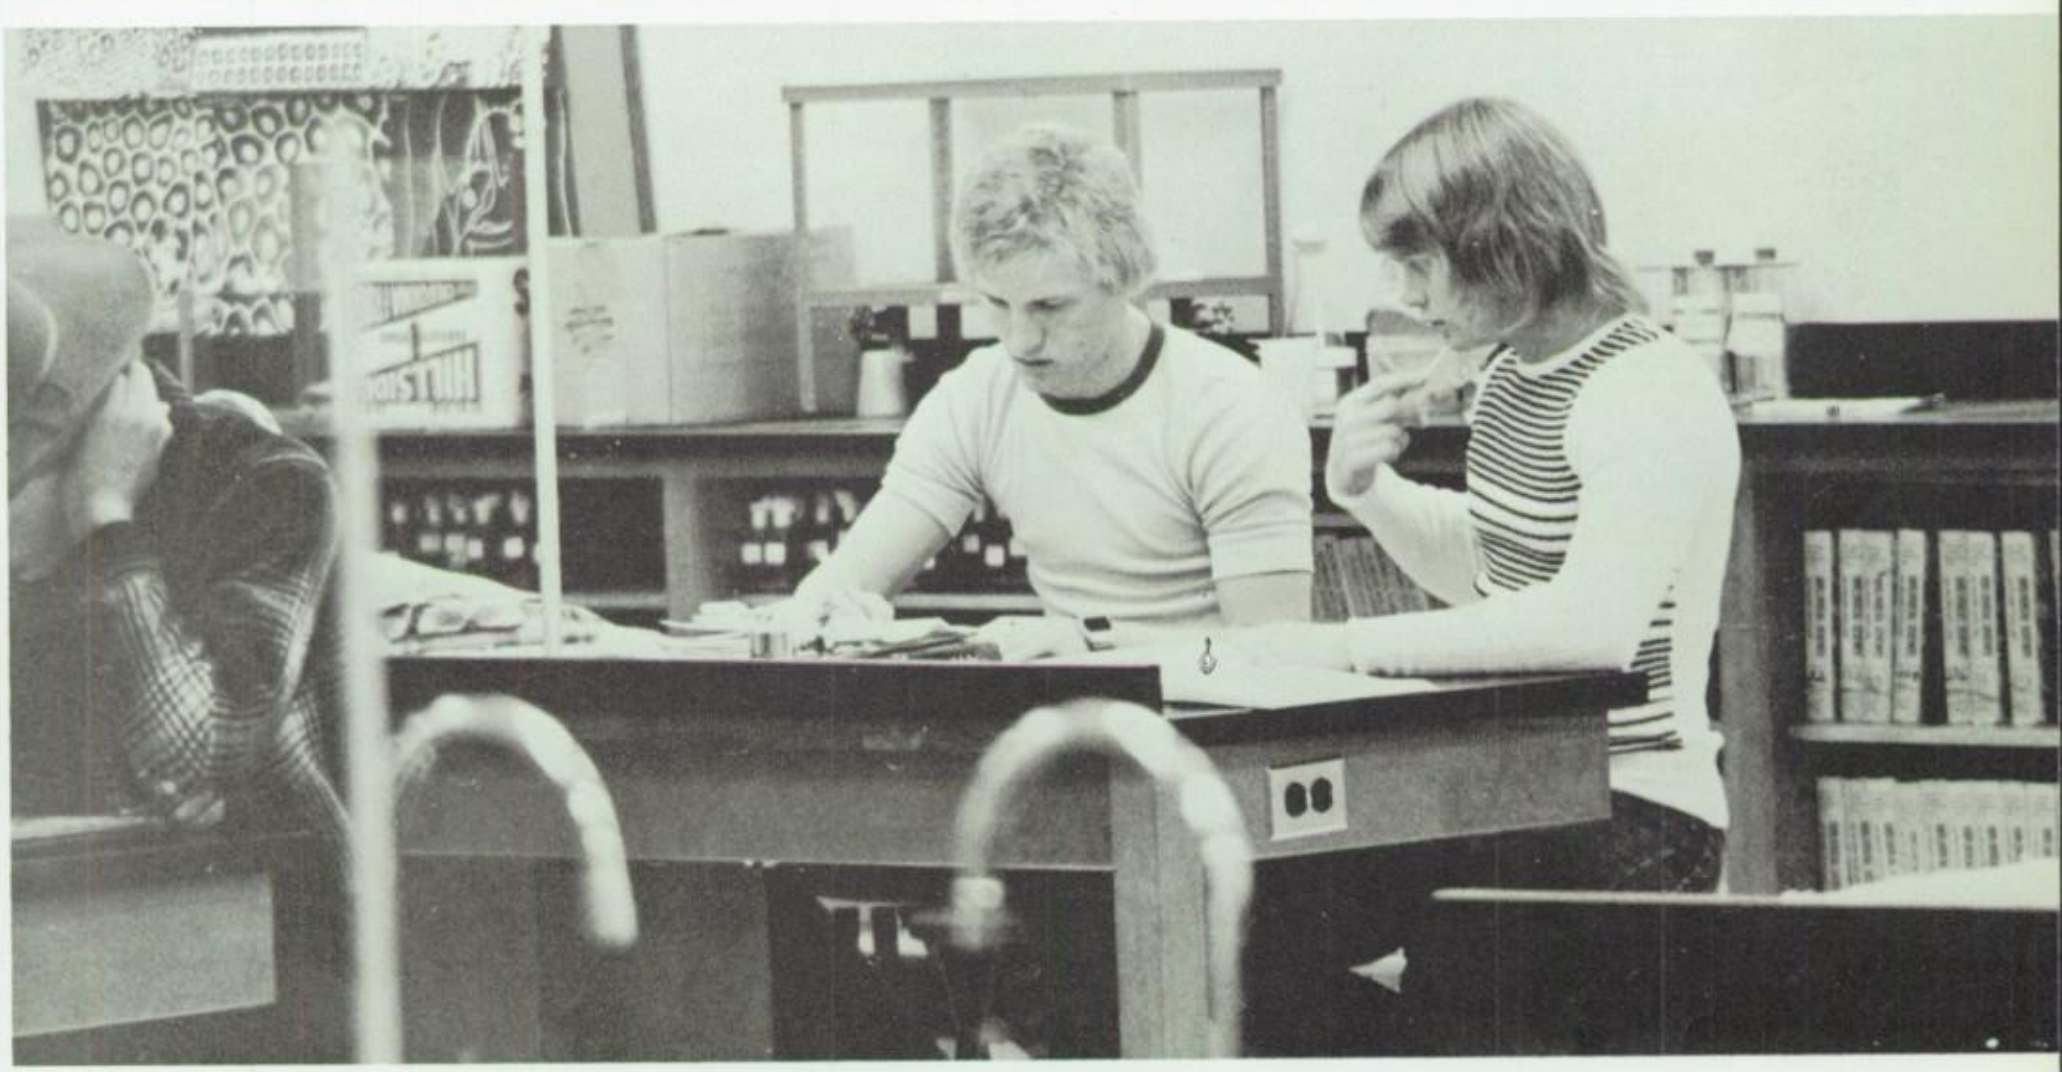
What a time it was for Greenway. Special activities included the crowning of the Bicentennial King and Queen, and a first for the Junior, Senior prom.

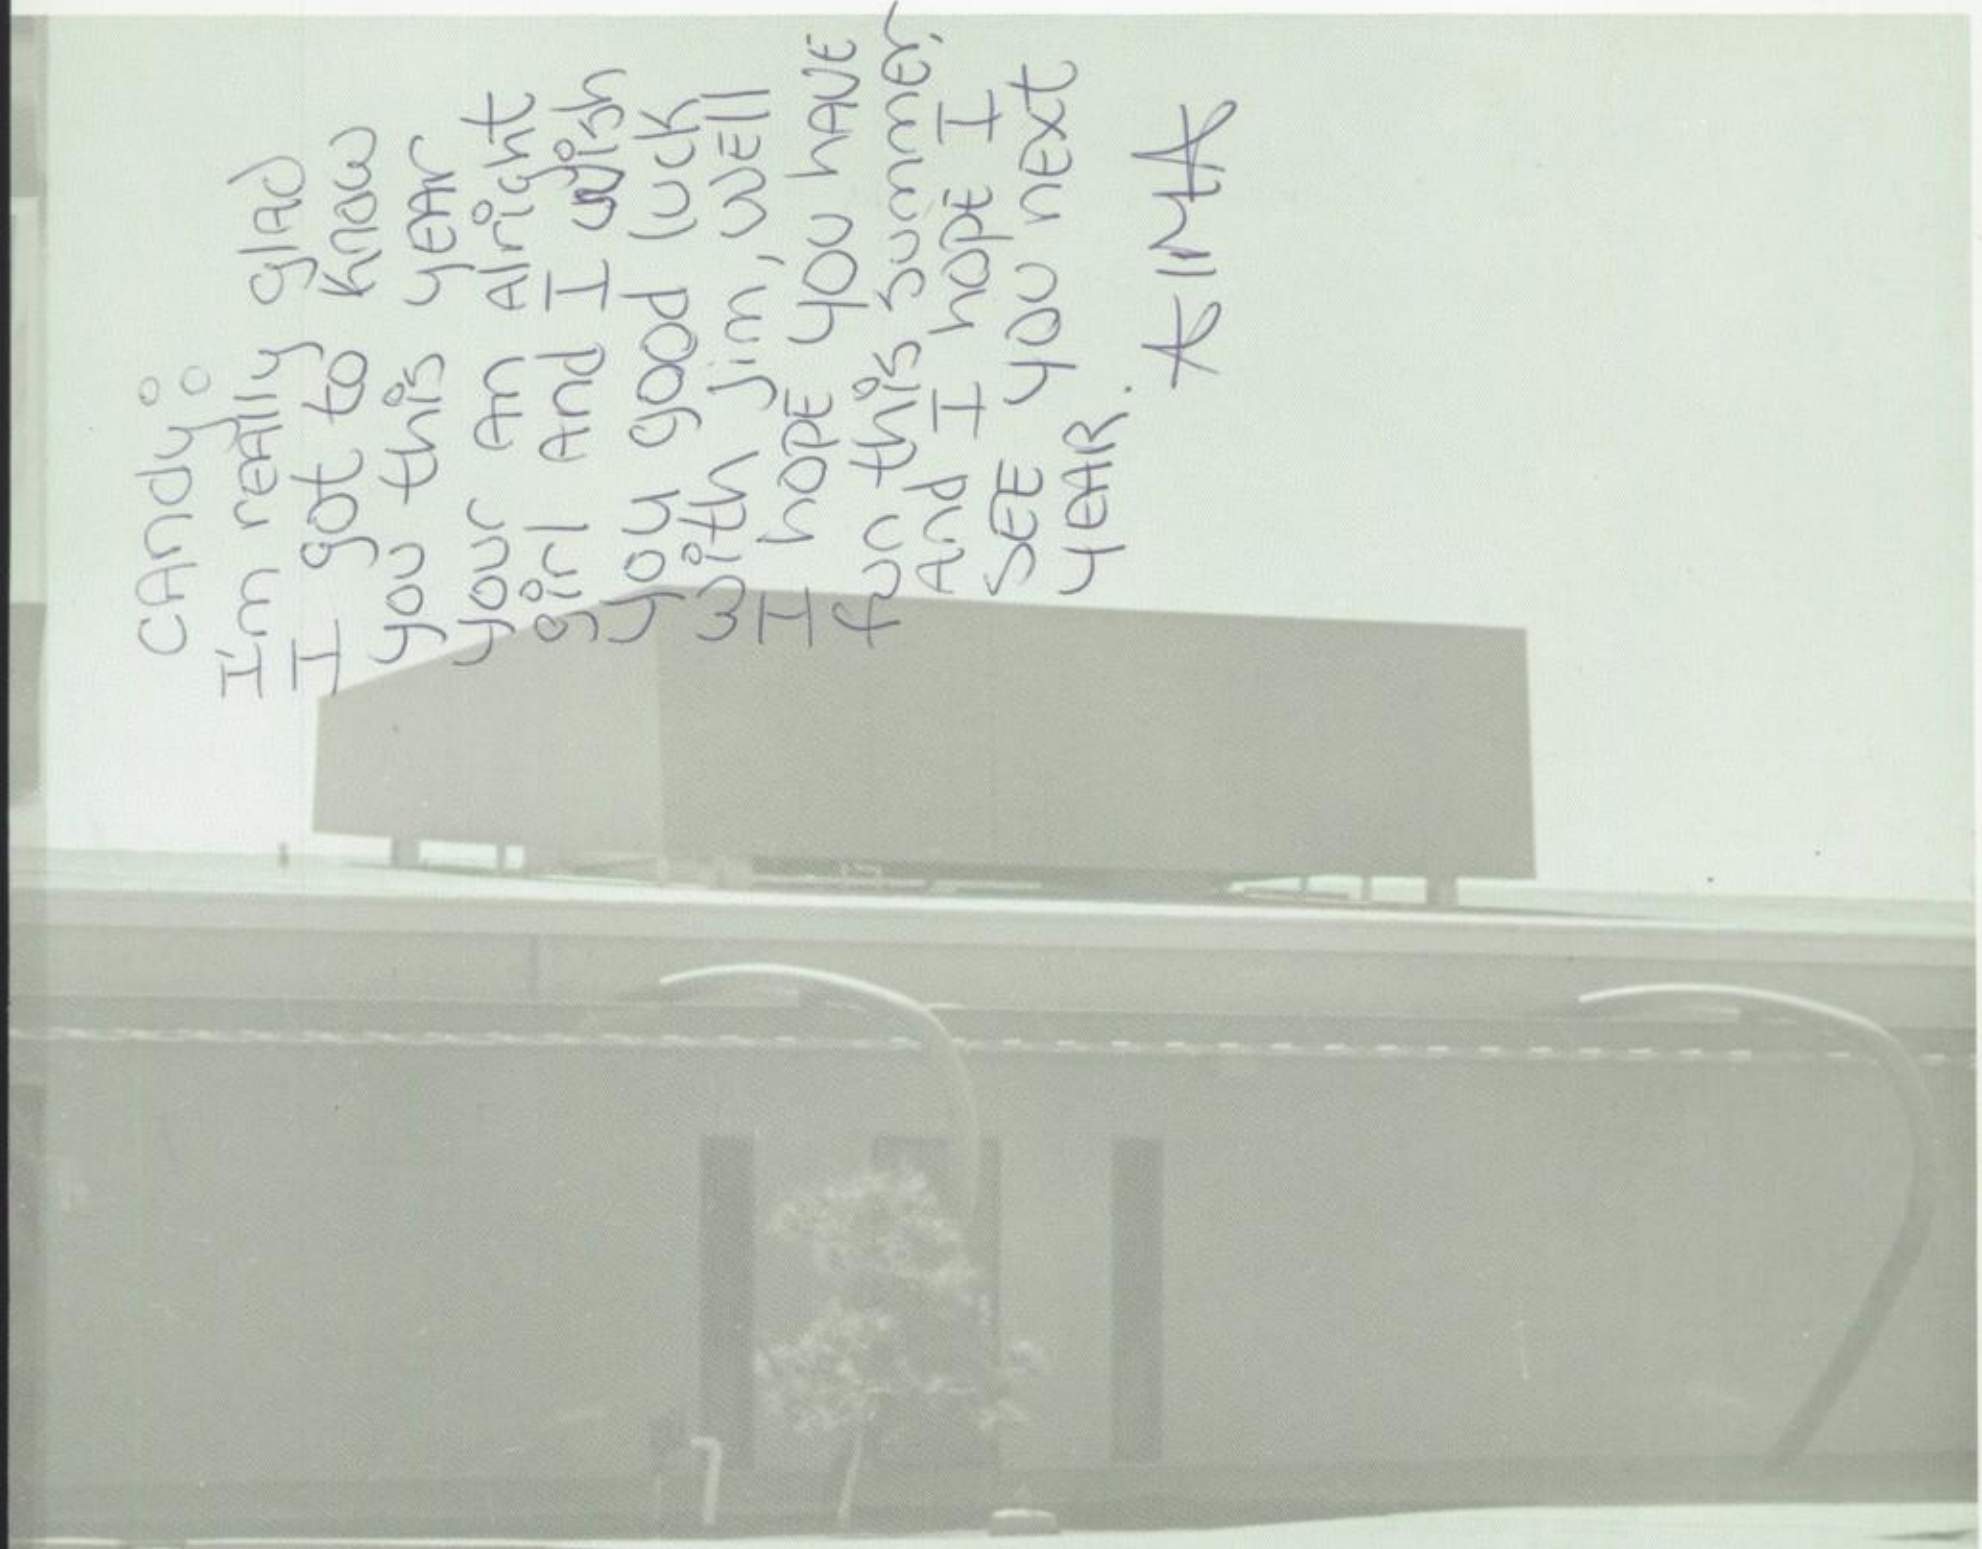
Greenway's first four year class learned quickly how to be patient and to share. To share the sidewalks, the dance floors, and most of all a little of themselves. Greenway's pride swelled with the new experience of victory - the knowledge that unity produces success.

What a time it was! The mixed emotions from Greenway's first graduation class filled many. Sorry to leave the memories of yesterday and excited about the challenges facing them tomorrow, were feelings shared by many seniors.

So now let us take a last look at our past, live with the present, and think of our future.







"What a time it was!" is the theme the Demonian staff chose to help the student body of Greenway reflect on the past year. This being my third year as editor of the Demonian, I have seen many changes take place in students, teachers and the school itself; and would like to remember these years at Greenway.

I would like to express my special thanks to all of the people who made the yearbook possible: Mrs. Susan Burnett, advisor; Ron Beliveau, photography; Roger Bean, Community Press representative; Kate Cummings, assistant editor; and the office staff.

"Reserved for Jimmy"

Candy,

This is going to be really hard for me to write. I'm really gonna miss you and Jimmy over the summer. I hope you'll have a good time and stay out of trouble and I realize it's something you have to do. We've had great times together, like spending the night with Jimmy and Mark on the barn roof and spending the night with all the girls over and cutting farts between the stances. It's been fun and I'm really gonna miss you next year. No classes and no lunch together... Oh well, I'm sure I'll see you at the parties. I hope you and Jimmy stay together for ever because you two are really in love or it wouldn't have lasted as long as it did. I hope you two get married. I'm sure you will. I love you both so much. Hope you have a great summer in you know where. I'll probably come over and see you if I come over to see Jimmy's graduation. You let me know exactly where you are going to be. Write me at: Debbie Crain c/o C.M. Wiegand PO Box #54 Little Deer Isle, Maine 04650 I'll be there from about July 1st to August 20th (not sure yet) Hopefully Jimmy will come up to see me, but I doubt it. You better write as soon as you get

time you are there. 1-602-582-2364. Just so you don't forget! I hope you'll never forget all the good times, especially at the Valley Drive In. Since that's where you met your special person. I hope Jimmy and I turn up as happy as you and Jimmy. Then I'd be as happy as you are. Stay the way you are for I won't claim you as a sister anymore. Just kidding you will always be my little sis and don't you forget it ever! Please be careful and keep in touch. If you ever have any troubles call. I'll send the 38-800 (grand) phone number of my parents

I am glad to know you & Buddy. This is a Buddy bear. Hope you have a wonderful summer. I hope all your dreams and wishes are really somday. Buddy will keep you company. Love ya Candy

Jimmy, I am glad to know you & Buddy. This is a Buddy bear. Hope you have a wonderful summer. I hope all your dreams and wishes are really somday. Buddy will keep you company. Love ya Candy

as soon as you write, wait I'll get it now 1-207-348-2258 or 1-207-348-6689. One of these will get a hold of me somehow. There will probably be a new phone at our new house up there, but I won't get that number until I get there. I'll send it to you as soon as I get there. Just don't forget to send me your address as soon as you get there! 4916 Misty Willow Lane, Glendale, Az., 85310.

Well better close now - Good luck always in everything you do and be sure to keep the apartment clean!

PS. The best way to get to math's heart is thru his stomach, too.

PS - Maybe you can for a little while, but not forever.

PSSSS - But when Jimmy stops having sex with you. Call me right away. We'll know something is wrong! Love You!

PS - I'm sure there are other things I've forgotten but I'm sure you'll get them all straightened out!

PSSS I don't if you a lot, but mom counted on you by six o'clock!
